**Refund Information:**

Please note that if it is your first time opting out of the Health portion of the Plan, you will have to provide proof of other equivalent health coverage. You can opt out of the Dental Plan without submitting proof of coverage. If you request a complete opt out from the Health & Dental Plan, but do not provide proof of other equivalent health coverage before the deadline, you will only be opted out of the Dental Plan and will remain covered by your student Health Plan.

After the end of the Change-of-Coverage Period, you will receive a reimbursement. For any additional information, please contact us at 1-866-369-8794.

Your change of coverage is in effect from 1 Jan 2020 - 31 Aug 2020. You will still be assessed the Plan fee in subsequent Academic Terms. However, you will not have to opt out again during this policy year. You will receive a refund each Term that you are assessed the Health & Dental Plan fee for the policy year.

If you return as an eligible student in September 2020, you'll be automatically re-enrolled in the Health & Dental Plan. Should you wish to opt out again next year, you must renew the opt out directly through studentcare.ca. **If you'll be opting out of the Health portion of the Plan again, you won't have to re-submit your proof of other coverage.**

**You can still change your coverage until the end of the Change-Of-Coverage & Opt-Out Period.**[ENROL FAMILY MEMBERS](#)[RETURN TO CURRENT STATUS PAGE](#)**Do you have questions?** [1 866 416-8707 \(tel:+18664168707\)](tel:18664168707) Mon to Fri, 9 am to 5 pm **MAY I HELP YOU?**

### How will I be refunded?

Depending on the method you select during the Change-of-Coverage process, you will either receive an email money transfer or get the Plan fee amount deposited directly into your bank account.

### How long will it take to receive my refund?

The refund for your opt out will be issued after the Change-of-Coverage Period ends. You should pay your tuition fees in full (including the Plan fees) to avoid late penalties from your academic institution.

### How do I know if I completed the Change-of-Coverage process correctly?

All students who successfully change their coverage will have a confirmation email sent to the email address they used to log in. That being said, if you do not receive an email within 24 hours of changing your coverage, please contact the Care Centre as soon as possible.
